

Tripod DA 150 medium

SKU: 6157

Sachtler DA 150 M aluminium Tripod for
150 mm Fluid Heads

PRODUCT DESCRIPTION

When you need to work fast, gear that gives you simplicity and versatility can make the difference between great shots and average ones. The one-stage aluminum Sachtler DA 150 M features single extension design, maximum height of 85 cm and carries up to 50 kg load capacity, making it ideal for field production. It comes equipped with the Sachtler rotary clamping system, which delivers the flexibility, security and speed that professionals need in order to get best shots.

The Sachtler DA 150 M's 150 mm bowl and 22 mm tube diameter ensure its compatibility with a wide range of equipment. Your gear should never hold you back or limit your options. The aluminum design helps you work with confidence that your equipment won't let you down in the field, and will give you reliable performance for years.
