

Tripod EFP 2 D

SKU: 6186

Sachtler EFP 2 D aluminium Tripod for 150 mm Fluid Heads

PRODUCT DESCRIPTION

Getting the best results in fast changing or unpredictable environments requires gear that gives you versatility and reliability. The Sachtler EFP 2 D is a two-stage aluminum tripod especially suited to field production. Sachtler's quick clamping system provides simplicity of use wherever you are and allows you to visibly lock the tripod in seconds for maximum security. Once in place, the continuous twin tubes keep the tripod stable while you get down to work.

The Sachtler EFP 2 D design features a 150 mm bowl, 22 mm tube diameter and a maximum height of 161 cm as well as boasting capacity of 90 kg. The aluminum construction can hold up to the rigors of any shooting schedule and will continue to provide reliable, safe performance wherever your work takes you.
