

Tripod flowtech®100 with rubber feet

SKU: 5584

Sachtler flowtech® 100 Carbon Fibre
Tripod with Rubber Feet

PRODUCT DESCRIPTION

For shoots where you need to balance quick setup, easy transport, support and stability, the Sachtler flowtech® 100 Carbon Fibre Tripod is a valuable addition to your gear. The unique design gives each leg individual adjustment while releasing and locking together, meaning setting up on any surface is as easy as releasing a catch. The ergonomic design makes the tripod light and comfortable to carry, no matter where your creativity takes you.

Weighing only 3.4 kg, the Sachtler flowtech® 100 with rubber feet can support a payload of up to 30 kg and extend to a maximum height of 153 cm. This versatility and flexibility are matched by high levels of stability so you can be sure that you'll always be able to get the shot you are looking for. When you are ready to move on, the legs all lock together with a single mechanism to save you even more time and energy.
