

## Video 25 Plus FB

**SKU:** 2501P

Sachtler Video 25 Plus Flat Base Fluid Head with Touch & Go Camera Plate

## PRODUCT DESCRIPTION

Wherever your projects take you, the Sachtler Video 25 Plus FB is a lightweight, durable and reliable addition to your gear. The seven-step drag system gives you confidence that your shots are smooth at all levels of drag, while the 18-step counterbalance system enables users to shoot with confidence. The Video 25 Plus FB comes with a 4-hole flat base that allows it to be mounted on all flat base tripods.

Attaching your camera is as quick as a single click with Touch & Go quick release and automatic locking for speedy mounting and removal. Sachtler's frictionless fluid damping with seven levels of drag works in any environment, and always gives you smooth, seamless movement.
