Sachtler Video 60 Plus Studio Fluid Head
with V-Plate

PRODUCT DESCRIPTION

When working with heavier cameras in studio or on location, being able to work quickly, effectively and safely gives you more time to get the best results. The Sachtler Video 60 Plus Studio Fluid Head's 18-step counterbalance system allows you to achieve perfectly adjusted balance quickly and simply. The sliding balance plate has a range of up to 120 mm, giving you even more precise adjustment and safety at any angle. All while supporting a maximum payload of 65 kg.

Once you are set and ready to go, the frictionless fluid damping with nine levels of drag gives you perfectly smooth movement both vertically and horizontally. Whatever the terrain and whatever your schedule, the Sachtler Video 60 Plus Studio won't slow you down.
