

Video 90 FB

SKU: 8092

Sachtler Video 90 FB Fluid Head with V-Plate

PRODUCT DESCRIPTION

For professional studio and outside broadcasting work, having lightweight, stable gear that you can rely on is a must. The Sachtler Video 90 FB boasts supports a payload of 115kg and its ergonomic, durable and squeeze-proof design provides safe and secure operation in any position.

These well-known Sachtler features include 24-step dynamic counterbalancing, which compensates for torque as the camera tilts; frictionless fluid damping with seven levels of drag and vertical and horizontal brakes for completely smooth movement; and a sliding balance plate with a connection thread for teleprompter mount.
